Orders Being Taken for 63rd Annual 3i SHOW Scholarship Buckles

DODGE CITY, KS -- Western Kansas Manufacturers Association, sponsor of the annual 3i SHOW, announces orders are now being taken for the 63rd Annual 3i SHOW commemorative belt buckle. The buckle is an antique pewter finish and is the First in the Eleventh Series. Sales from the limited-edition commemorative buckle fund the WKMA scholarship program. Buckle order forms are available on the Merchandise Tab of the 3i SHOW website at www.3ishow.com. Buckles also remain available for past years.

Scholarships are made available to ten Kansas area colleges and vocational technical colleges each year. Funds are for freshman students who are U.S. Citizens and residents of western Kansas who have graduated from a western Kansas high school. Preference is given to students enrolling in AgriBusiness, Industrial Engineering, Pre-Engineering or Business Administration. Applications are currently being taken for the 2017-2018 school year and must be made directly through the individual school's financial aid or scholarship department. For a complete list of participating educational institutions, visit www.3ishow.com/wkma/scholarships.
