Murphy Tractor to Showcase Career Opportunities at 3i SHOW High School Ag Career Day

Dodge City, KS – Murphy Tractor & Equipment Co. will be showcasing career opportunities with their company to area high school students at this year's 3i SHOW High School Ag Career Day on opening day, October 12. High School Ag Career Day offers students an opportunity to learn about careers in agriculture. Ag teachers, students and parents, high school counselors, FFA representatives, 4-H representatives, and extension agents are all invited and requested to help spread the word to make this a GREAT educational event with as many students in attendance as possible!

Get paid to go to college? Yes, it's true! John Deere and Murphy Tractor are looking for talented individuals to be a student, trained to become a John Deere Construction & Forestry Equipment Technician. This program is specifically designed to prepare the individual for trouble shooting and repair of construction equipment. Courses are held at Southeast Community College in Milford, Nebraska. For more information, visit www.murphytractor.com or call 855-246-9124.

Murphy Tractor & Equipment Co., Inc., one of John Deere's largest North American construction equipment dealer organizations, was founded in 1982.
