FOR RELEASE: IMMEDIATELY

SCCC Scholarship Giveaway at 3i SHOW

SEWARD COUNTY
COMMUNITY COLLEGE

DODGE CITY – Seward County Community College, a two-year institution offering 45 programs of study, including Adult Basic Education, certificate programs and associate of arts, associate of science, general studies and applied science degrees, will be hosting a giveaway at this year's 3i SHOW. Five lucky attendees will be going home with a scholarship to SCCC in the amount of \$500. A drawing will be held in SCCC's booth I-285-287-289 on Saturday, October 14, at 1:30 p.m. Automotive Mechanics Technology, Auto Body Collision Repair, Diesel Technology, Drafting & Design Technology, Machine Tool Technology, and Welding Technology programs will be included in the drawing. The first name drawn from five different programs will receive one of the \$500 scholarships.

**One name per program, first five programs drawn.*

**Entries will be accepted all three days of the 3i SHOW until time of drawing.*

**Must be present to win.*

SCCC is ranked in the top 5% of more than 1,100 accredited community colleges in the U.S. by the Aspen Institute, serves a student body of 2,500+ students ranging in age from

15 to 85. Students are the heart of our campus. Each person is viewed as a unique individual, with potential and dreams to achieve – and equally valuable at every point in the process. With a student body as diverse as our community, SCCC brings people from the region's small towns into contact with international students, and nontraditional learners of all ages together with recent high school graduates. The common factor is that we are all moving forward into growth, new challenges, and professional success.

The Industrial Technology division houses the auto body collision repair, automotive business management, automotive mechanics technology, corrosion technology, diesel technology, drafting and design technology, HVAC-R, machine tool technology, natural gas compression, process technology, truck driving, and welding technology programs. Located on the Industrial Technology campus, students learn through hands-on curriculum and industry standard training. For more information on each program, visit <http://sccc.edu>. SCCC Industrial Technology can also be found on Facebook or on Twitter @IndustrialSCCC.

SCCC's learning options are not limited to traditional classroom settings. As a community college, SCCC endeavors to provide learning opportunities for people at all stages of life, through area Outreach classes, professional development and continued education, enrichment and recreational classes, and business and industry support. Explore the many paths to a more vibrant life through education with Seward County Community College.

Complete information regarding the 63rd Annual 3i SHOW to be held October 12, 13, and 14 is available online at www.3ishow.com. Like the 3i SHOW on Facebook and follow them on Twitter, or contact the WKMA office directly toll-free at 877-405-2883 or locally at 620-227-8082.
