RE: Plug Into Energy Careers Presented by Victory Electric  
FOR RELEASE: IMMEDIATELY

### **Victory Electric Presents 'Plug Into Energy Careers' at 3i SHOW High School Ag Career Day**

Dodge City, KS – Victory Electric Cooperative will be presenting career opportunities with their company to area high school students at this year's 3i SHOW High School Ag Career Day on opening day, October 12. High School Ag Career Day offers students an opportunity to learn about careers in agriculture. Ag teachers, students and parents, high school counselors, FFA representatives, 4-H representatives, and extension agents are all invited!

With more than 63,000 employees at 900 cooperatives nationwide, the electric cooperative network offers numerous career opportunities. Victory Electric strives each day to provide safe, reliable electricity to their members while delivering on their mission to improve the communities they serve and seek the best workers to supplement their teams and better serve their members.

Staff members will discuss the many career paths available at Victory Electric to assist students in determining which one is best for them in regards to their interests, experience, background and skill set. Energy careers include linemen, information technology, electrical engineering, accounting, communications and public relations, community and economic development, engineering and operations, meter and substation technicians, safety and loss prevention, tree trimming, human resources, payroll, purchasing and warehouse clerks, customer service, administrative, and many more.

Some of the best, brightest, most creative and dedicated people have chosen to serve their communities and develop their careers with cooperatives. Join Victory Electric Cooperative and plug into an energy career! For more information, visit [www.VictoryElectric.net/Content/Careers](http://www.VictoryElectric.net/Content/Careers).

For continued updates regarding HSACD session information, as well as other events at the 63rd Annual 3i SHOW on October 12, 13, and 14, 2017, visit [www.3ishow.com](http://www.3ishow.com), or contact the WKMA office directly toll-free at 877-405-2883 or locally at 620-227-8082. Like the 3i SHOW Facebook Page and follow them on Twitter and Google+.
