RE: Archery Shoot at 3i SHOW
FOR RELEASE: IMMEDIATELY

DODGE CITY – Western Kansas Manufacturers Association (WKMA) is presenting an archery shoot hosted by the Prairie Bowman Archery Club being held on Saturday, March 24, from 9 a.m. to 2 p.m. Attendees of all ages will have the opportunity to participate in the archery shoot located inside the arena on the dirt floor side of the Western State Bank Expo Center. This is a free archery shoot and is available for all attending the 64th Annual 3i SHOW, being held March 22-24 at the Western State Bank Expo Center in Dodge City, Kansas.

All ages and classes will be shooting together and a few experienced archers will be on site to help ensure safe shooting is practiced. Free bag targets will be available to shoot. Inexperienced archers will be placed closer to the bags when shooting so hitting the target will be easier. More experienced archers will have the option of paying \$10 for 10 large-size targets. Bows and equipment will be provided for those that don't have their own.

The Prairie Bowman Archery Club hosts monthly 3D shoots involving 40 targets, two rounds of 20, of life size targets. The shoots are held once a month and go from early April to September. The archery club hopes to increase local involvement with the club and to get more kids and adults to enjoy the outdoors.
