RE: Landoll Corporation Demonstration at 3i SHOW
FOR RELEASE: IMMEDIATELY

DODGE CITY – Landoll Corporation will be offering demonstrations on demand throughout the 64th Annual 3i SHOW, being held March 22-24. Landoll will be demonstrating their 7500 Series Vertical Tillage (VT) Plus with Adjustable Gangs, at their booth spaces I-383 through 386 located on the dirt floor side of the Western State Bank Expo Center in Dodge City, Kansas. These demonstrations are free for all attending the 3i SHOW.

Landoll is introducing their new 7500 Series VT Plus with Adjustable Gangs that can adapt to changing field environments and can be used in a variety of residue conditions. The adjustable gang feature allows the operator to change the disc gangs anywhere between 5 and 15 degrees on the go from the tractor cab. Landoll factory and sales reps will be on hand to demonstrate the adjustments and answer questions.

Landoll Corporation is a leader in innovative design, world class manufacturing, and global marketing of quality products and services. Their primary objectives are ensuring total customer satisfaction by continually improving quality and value in their products and services, providing employees an environment that encourages developing personal and professional abilities and being an asset to their community through growing quality employment and local leadership.
