### **2021 Mid-America Workforce Summit Postponed New Dates to be Announced Soon**

DODGE CITY - Due to the ongoing coronavirus (COVID-19) pandemic, Mid-America Workforce Summit staff has made the difficult decision to postpone the 2021 event for a later date. While disappointing, this is a necessary step in keeping summit staff, attendees, exhibitors, and presenters safe during these unprecedented times.

Originally scheduled for January 20 and 21, 2021, the Mid-America Workforce Summit is a DO NOT MISS annual forum for community leaders and chamber representatives, legislators and government officials, employers, educators, and local workforce board members to take action to address the new realities facing the workforce and economic development issues in many mid-America states.

Summit staff are currently working on rescheduling the event and are excited to swing into full gear when the new dates are announced. Participants already registered for the 2021 summit will receive a full refund.

For any questions, please contact WKMA directly toll-free at 877-405-2883 or locally at 620-227-8082. Like the Mid-America Workforce Summit Facebook Page to receive continued updates and information about the Summit and upcoming events.
