ForeverLawn® Launches South Central Kansas Dealership

– Commercial Lawn Management inks deal to distribute Grass Without Limits™ –

WICHITA, Kan. – ForeverLawn, the artificial grass industry leader, announced the grand opening of a new dealership, [ForeverLawn South Central Kansas](#), in partnership with Commercial Lawn Management. The new location is part of the company's plan to expand operations throughout North America with the opening of several independently-owned dealerships.

“Commercial Lawn Management (CLM) has been in business for more than 18 years serving Wichita and surrounding areas. We specialize in all aspects of lawncare and landscaping. We are thrilled to partner with ForeverLawn and offer this innovative turf solution. It is a great alternative grass option, plus it's kid safe and pet friendly,” said Eric Shoffner, CLM Vice-President. “As we embark on this new journey and expand our offerings, we appreciate all the clients who have trusted us over the years and grown our business to make this expansion possible.”

ForeverLawn artificial turf is the brand of choice for such world-class facilities as Walt Disney World and The Home Depot. Recommended by home improvement experts, professional athletes and property managers, a growing roster of respected clients contribute to the company's success. ForeverLawn is a well-known fixture in the synthetic turf market with a history of success.

“ForeverLawn looks and feels like real grass. A great fit for drought-ridden and drainage-challenged areas, it provides a superior, synthetic solution for landscapes, playgrounds, rooftops and indoor spaces,” continued Shoffner. “We're proud to bring ForeverLawn to the area and look forward to serving the community with this innovative product.”

ForeverLawn South Central Kansas services businesses and homeowners in Harvey, Sedgwick, Butler, Cowley and Sumner counties. The ForeverLawn Closed Loop Warranty System (CLWS) tracks the purchase from manufacturing through installation and registers the details directly with ForeverLawn Inc. Unlike many synthetic turf companies, ForeverLawn has the ability and experience to truly stand behind this warranty. Contact the synthetic grass experts online for more information.

ForeverLawn provides innovative synthetic grass products to create better landscapes worldwide. In areas where real grass is difficult to grow or maintain, due to high traffic or poor conditions, ForeverLawn offers a natural-looking alternative that is beautiful, functional and durable. ForeverLawn provides premium grass products for specific uses, including DuPont™

ForeverLawn® Select Synthetic Grass, Fusion™, SportsGrass®, Playground Grass™, GolfGreens®, K9Grass® and more.
ForeverLawn® is Grass Without Limits.
