Victory Electric to Feature Electrical Safety Demo at 3i SHOW

DODGE CITY – Victory Electric Cooperative, Pioneer Electric Cooperative, and Wheatland Electric Cooperative invites the public to daily electric safety demonstrations during the 2021 3i SHOW, March 18-20! Power line safety demonstrations will be held in space I-447 on the dirt floor side of the Western State Bank Expo Center.

Featuring live, high-voltage, true-to-life series of flashes, flames, sizzles, and smoke, the demonstration is designed to teach attendees of all ages about electricity, electrical safety, and lightning safety.

With the public constantly being exposed to the many benefits and dangers of electrical power, this program will inform people on how electricity improves their way of life as well as the hazards of improper electric usage. Safety is always stressed by co-op personnel who will be conducting the demonstrations.

The Victory Electric Cooperative, Pioneer Electric Cooperative, and Wheatland Electric Cooperative a member-owned electric distribution cooperative, are headquartered in and serve south central and southwest Kansas. For more information, please visit www.VictoryElectric.com.
